Students at pep rallies, and cheerleader Annette Saragueta, get the most out of lunchtime by participating in school activities. However, lunch is almost an unknown word to A.S.B. president Steve Jaffe, but he manages to sneak a bite now and then. Song-leaders love posing for pictures, but life isn't all fun and games. Students do have to sneak in some studying.

Waterballoons are enjoyed by everyone and in the beginning of the school year students were tossing, throwing and breaking them in an exciting lunchtime activity planned by Cabinet.

And we'll shoot for the top

The Regional Occupancy Program offered students a chance to go out and work in the field they were interested in. It was not just their job, it was a learning experience. They got no pay for their work but they did get credit for their "class." Their employer was their teacher who instructed them in the field.

Students took R.O.P. classes to see if they really wanted to go into that kind of work. The classes were interesting and the work was only a few hours a day. Many students were enlightened about a field they did not know much about. The classes helped students make up their minds whether or not they really wanted to become what they had thought.

We come together as school begins

After a long, fulfilled summer, students and teachers returned to school for registration and to face the excitement of the oncoming year. Counselors were also on hand to answer the many questions the students had and to assist teachers in organizing card pulling. Sophomores had their first opportunity to pick their own classes, teachers and schedules.

The three days of registration were hectic, but it was the first chance for many to see friends they had not seen all summer long. The days passed quickly and soon school started. Both students and teachers were looking forward to an exhilarating 1979-1980 school year.

In clockwise order. Another helpful lecture from Kathy Wallenstein. Mr. Smith assists students with registration. "Wake up, registrations just began Tammy shows genuine interest in the course of study. Mr. White gives another auto shop demonstration. A student checks over his schedule for registration.

Mr. Coburn says:

"I enjoy Accounting and teaching it. I like the challenge it gives me. For example, students will come and ask me questions that I'd have to dig for. It keeps me on my toes and it shows that they are interested. Accounting can be difficult and many kids get discouraged. I think everyone should learn accounting so they can know how to handle their books when they're older."

A Servant

The stage came alive on the nights of Nov. 29, 30, and Dec. 1. Hard working students, under the direction of Gail MacCartney, performed "The Miracle Worker," the story of Helen Keller, a blind, deaf, and mute girl who lives in her own caged up world until her teacher Annie Sullivan steps into her life.

"The Miracle Worker" was one of the most complicated plays to be brought to Mark Keppel's stage. "It has been one of the best shows done at Keppel in a long, long time," said actor Mike Wallenstein.

The rehearsal schedule was longer than usual. There were more light cues and sound cues than have ever been attempted here, and for a surprising change the audiences were of a good size all three nights. Our Drama department is definitely improving.

California Thespians Meet For a Conference

'If you fail to plan, you plan to fail' but this conference did not fail because planning started in June '79. Over 250 students from all over California attended the conference on February 15, 16, and 17. Most people stayed at the Holiday Inn but some of the closer schools drove in. Saturday was filled with a great variety of workshops ranging from Stagefighting to Commedia Del Arte. There was also a special performance by a professional Improvisational Troupe. Friday and Saturday nights, there were one-act plays presented by different schools. Sunday was an Improv Day with competition rounds. Sunday night was the banquet at Quiet Cannon, the special guest speaker was actor Mr. Richard (Curly) Lee-Sung who has appeared in M*A*S*H, Incredible Hulk, and Happy Days. Critiques on the conference were very positive and Mark Keppel Thespian Troupe 1764 is looking forward to next years conference at Mountain View High School in Northern California.

Improvisation was the theme of the conference. Mrs. MacCartney tries to quiet everyone. Charlena Williams (a mime guide) gives directions to someone who is lost. Heather MacCartney flips a 200 pound Stagefighting instructor. Jose Gonzalez gives a sad mime look, it's been a long, hard weekend. Paul Salmon meets a new friend. During lunch break (lunch served by Alhambra Thespians) students talked, sang, juggled and in general had a great time.

Stage Crew Builds Up

Stagecrew: Eddie Castono, Frank Bouzanquet, Mike Flanagan, Will Weymouth, Marianna Navaratte, Evavold, Robert Ortiz, Andy Carreon, Charlie Gonzales, Mike Crespo, Oscar Correa, Lyle Franco, Juan Clark.

Stagecrew, under the direction of Gail MacCartney, helped tremendously with the production of plays, concerts, and assemblies. Lights, sound systems, curtains, and cues all were taken care of by stagecrew. No production could have been put on without stagecrew's help. They are the behind-the-scenes people that do not get the attention they deserve.

Spring Play

Lights! Curtain! Action! But wait! Where is the curtain? Well in this play, almost all of the entrances and exits were made through the audience doors. And why on these nights, April 24, 25, 26, were there no intermissions? Did they have intermissions in the 1500's when the wagon stage pulled into the Inn? No! So neither did the spring play "The Servant Of Two Masters". During the time between acts, musicians were on stage performing to provide a full night of entertainment for the audiences.

Idea magazine is a non-profit organization that encourages the literary and artistic talents of the students. The entries were first anonymously judged by the staff, and then cash awards were given: \$15 for first place and \$10 for second. Idea magazine includes poems, short stories, photographs, drawings, graphics and any other kind of artwork. This hard working staff of people was headed by Nancy Kiel as their Editor. It was her responsibility to make sure the magazine contained a variety of many different and interesting things. Norman Franz, the advisor, was always there to help, but the bulk of the magazine was put together by the students.

The examples on these pages were taken from the 78-79 Idea magazine.

MY FRIEND

This is for you my friend
for all that you've done
for all the good times
for all the fun

And for all the sad times
that you stood by
and lent me a shoulder
if I needed to cry

Through all the bad times
and all the bumps
you've always been there
to smooth all the lumps

Then there are the good times
the fun times we shared
I always know that
you really care

Then the confused times
when I'm not quite sure
you're always there
to clear the blur

Our Friendships been
through thick and thin
you can always solve problems
with just a small grin

You're a special person
you're one of a kind
good friends like you
are hard to find

THE WIND

Did you ever hear the sound of the
Wind? It blows through the trees
like a whisper, so soft and faint,
that it seems as though its all in
your mind.

People are like the wind. They
blow one way then the other, never
staying in one direction for long.
So cool and yet so bitter.

The sound of the wind is eerie,
like in a dream. You can't quite
see clearly, just enough to make
you think. It makes you wonder
if your dreams are trying to tell
you what life is all about.

The wind is really a voice that
echo's through your mind - a voice
you've just imagined.

"WHO STARTS THE WARS"

Politicians always started the wars.
Why don't they go out and fight.
They leave that all to the poor,
while they kick back and laugh at us die.
All I ask is why?

Kevin Gryder

PLEASE

So you want to
take me to war
And I don't even
know what it's for

You want my blood
for your precious oil
Fight in your hell
for your sacred soil

You can't do this to me
I love my life and I
want to be free
So come on everybody
sing a song
Peace and Love
War is wrong

Put a gun in my hand
a flower for yours
For the boys who died
in your sacred wars

Executive hawks
open your eyes
See my heart
don't feed me lies

Remember the last one
remember the score
Remember love?
and what it's for?

Forget the war
forget the hate
please remember
it's never too late...

Uncle Sam Wants You!

Iran Takes America Hostage

November 4, 1979, panic streaks through the Embassy as mad Iranians take fifty American hostages. They demand we send back the deposed Shaw who came to America to receive medical treatment. President Carter allows him to stay.

Months pass and the hostages still have not been released. Bani Sadr is elected President of Iran—but will that help? America is confused at what to do. Do we want war? Are Americans willing to fight? These questions are directed to us, high school students, we will be the ones to fight. We have to decide.

L.A. in a State of Emergency

Most of the month of February was filled with rain which caused extensive damage, especially in Monterey Park. Houses were evacuated because of mud slides which had occurred or were about to, and many families lost their homes. The street Divina Vista was one big mess, it was a hilly street which slid down and crashed through everything in its way. Evacuation centers were set up in many neighboring elementary schools and many families stayed there. Damage was estimated at over \$100,000,000 after a week of hard rains. Storm after storm attacked Los Angeles and nearby counties and it seemed as though the rain would never let up.

Special thanks to Jeanne Chan. 2nd semester President—Stacey Lew, 2nd semester Vice President—Teresa Fukui, 2nd semester Secretary—Nancy Kiel.

This year's Senior Class Council was one of the most active councils that Mark Keppel has ever had. Not only has the Senior Class Council accomplished the yearly activities such as the All Night Party, Senior Picnic, Senior Luncheon and choosing the graduation announce-

ments, but this year's council also participated in many school activities. At Homecoming, the Senior Council's "Class of 1980 float—A Year To Remember" took 2nd place in the float competition. Also, the Seniors won the first MKHS Class Feud, a lunchtime ac-

tivity. In order to minimize the cost of the All Night Party and other senior activities, the Senior Class Council had a car wash, a carnation sale, and sold sodas at many activities. Over all, the Senior Class Council had a very good year.

Seniors Present

Crown

In clockwise order. Mr. Katz, Advisor. Marcus Lum and Jennifer Gong, President. Omar Rodriguez, Vice President and Nancy Kiel. Steve Vucetich, Treasurer and Jeannie Shimatsu, Secretary. Kevin Shida and Mei Lee Chiu. Helena Ahrenberg and Fiona Clifton, Foreign exchange students. Michael Lew and Sharon Woo. Ka Ming Tong and Gail Feuerstein. Ronnie Klein and Kathy Wallenstein. Steve Jaffe and Cindy Tester.

and Sceptre

Crown and Sceptre is the Senior Honor Society of Mark Keppel. Members are chosen on the basis of their academic achievement, extracurricular activities, and service to the community. Any junior with a 3.0 grade point average is invited to apply at the end of his junior year. The sixteen

members are selected by last year's Crown and Sceptre members, selected faculty, and administration. The foreign exchange students are honorary members. Besides being an honor society, Crown and Sceptre is also a service club. One of their many services is ushering. Members started their ushering careers early by ushering at the Commencement Ceremony for the class of 1979. Crown and Sceptre also assisted at freshman orientation helping to take I.D. pictures. Over the rest of

the year, Crown and Sceptre ushered at Back to School Night, the Fall and Spring Plays, Open House, and the Winter and Spring Concerts. Crown and Sceptre expanded its service to the community by working on Rose Parade floats and conducted various services. Crown and Sceptre also participated in many school activities and fund raisers. For the first time Crown and Sceptre had a float in the Homecoming parade. Members worked hard to make the float exciting to the Keppel audience. They also had a booth at the Homecoming festival, as well as the Spring festival and the Cinco de Mayo festival. All the money raised at these and other activities went to the banquet at the end of the year.

CLASS OF NINETEEN EIGHTY

Students look over their tests before handing them in.

Seniors show their superiority over the other classes by making a clean sweep in this year's Class Feud. This year's Senior team consisted of Charlie, Donna, Steve, Roxie, and Sharon.

Students learn a "recipe" for success.

Classes

Sophomore Judi Evans doesn't clown around in class but Junior Donnie Meza shows us that he has school spirit. Freshman Christina Caro works hard on her Health and Safety homework.

William,
It has
been fun
having those
discussions with
you. I hope to
see you next year.
Have a wonderful
vacation! Good luck
on your finals!

Linda

William,
I've enjoyed having the
discussions with you at the
bus stop. They were fun and
entertaining. Hope to see
you next year. Have a wonderful
summer and good luck next year!

Your friend,
Leon Chew

(Left) "I can't help it if there's not enough room. That's the trouble with these assemblies." (Middle) Sherri Carter seems to be paying attention to the speaker, but who knows what she might be thinking. (Right) Annette Saragüeta can't believe what she just did.

*William,
Hope you a good year.
It's been fun in Biology.
Have a really good
summer & see you next
year.
Love Gina Marie Chavez*

It's
been a
long time
now - from
what was
it - 1st grade.
I really don't know
what I think
or feel about you
and that's what you're
supposed to write in those
things. I sincerely wish you
the most of happiness in your
life - you do deserve that considering
you're not out to hurt anyone
and you never do. Enjoy yourself
bill & take care

Helena—Finland

We were fortunate this year in that we received two foreign exchange students. Helena Ahrenberg came from Helsinki, Finland and was staying with the Scott family. Before coming to America, Helena was very excited, but a little afraid of coming into a new school with new people. However, after her first day, she knew she would enjoy it very much. Helena had kept herself very busy. She was an active participant in Crown & Sceptre, A.F.S. and Cabinet. She said that she enjoyed Keppel a great deal because the students were so nice. Helena was surprised at the amount of complaints students had about the lack of spirit at Keppel. She felt people should be proud to be students of Keppel because at her school back in Finland there was virtually no school spirit. Helena visited many sights in California. She liked the beaches and Palm Springs. She also saw much more before her stay was over. Coming to California had always been a big dream for Helena and now it has come true.

Fiona—England

Our other foreign exchange student was Fiona Clifton. She came from Waltham Abbey, Essex which is about twenty miles from London. She was staying with the Lieswald family. Fiona's first impression of Keppel was astonishing because of the many people. Her school in England consisted of approximately six hundred people, which was quite a difference. Fiona said she liked the independence here and how the teachers leave it up to you to do your work. She enjoyed the activities and was a member of Cabinet, Kiowa, Crown & Sceptre and A.F.S. She had noticed the great difference in customs, such as, "eating a hamburger for dinner". In England a hamburger is considered a snack. She was amazed to see all the junk food that the Americans eat. Fiona would like to thank everyone for being so nice.

Homecoming night halftime activities were perhaps some of the most exciting moments ever lived by these five girls on the homecoming court. Yvette Perez, Lana Rawoew, Vivian Vasquez, Lisa Timbrello, and Queen Laura Gonzales will never forget their feelings and emotions that evening as they announced the queen. The Happiness, the sorrow and the relief. Homecoming is a time for old and new friends to get together and really show their school spirit.

Our Queen

Laura Gonzalez has been attending Mark Keppel for three years. In her senior year she had the honor of being chosen Homecoming Queen for 1979. She has been a member of Drill Team and has also been involved in Chanticon, a Tri-Hi-Y club. She is now working in the Career Center. Laura loves taking care of plants and has made it a hobby. Her favorite pastime is spending time with her boyfriend Eddie. After high school Laura plans to continue working for a few years and then attend college. "No words can explain the happiness I felt in becoming queen," says Laura. "Sometimes you tend to doubt whom your friends really are, but I realize I have a lot."

Aztecs Vs. Moors

Oct. 12, the big gym was the site of the annual Mock the Moors Mooratorium before the varsity game against the Alhambra Moors. Students were enthusiastic as pep squad put on quite a show enticing everyone to come to the game. Spirits were high and everyone was ready for an Aztec Attack. "We want Moor Blood" was the motto for the day.

JV Yells show us what Alhambra cheerleaders are made of. Varsity Yell puts on a good show. Our team is sky high in spirit. Annette can really get into being a Moor. Joe Rocco, Tony Lomeli, and Eric Wahberg show us the fate planned for the Moors.

Back to School

After a hard and nervewracking week of school, Keppelites got together for the annual Back to School Dance. For many, it was the first chance to relax since school started. Friends got an opportunity to have fun and get back into the swing of things.

Sports Spectacular

The theme of this year's fall backwards dance was "Sports Spectacular". On Oct. 20, the fun began as couples dressed to their favorite sport. Keppel students and their friends boogied to the soul and rock sounds provided by "Crosswinds".

Hey, what are you doing?
Why are you hiding from me?
Come on out, I want to talk
Don't be afraid.

Oh, I know that
Under all the sophistication
Under all the nervous laughter
Under all the feints of seduction
From fluttering eyelashes

Is a very,
very,
very,
frightened girl.

But I understand
... yes, I understand
Please, I want to help you
Won't you let me help?
It can't hurt you.

But you keep on laughing
And singing
And dancing
And never,
never,
never,
letting anyone in.

Letty Villegas takes charge at the Spanish meeting.

The French/German club planned many activities this year. They had booths at the Backwards Dance and at the Homecoming, Cinco de Mayo, and Spring Festival to raise money for their club. They put this money to good use by using it for such things as dining at French and German restaurants and sharing in their culture. The people who joined this club made new friends and at the same time shared the experience of learning the French and German cultures. Their advisor was Miss Claudia Kubatzki and their president was Martha Ramirez.

The Spanish Club is designed to give students a better idea of what the Spanish culture is like. It is a social club, but at the same time a learning experience. They had many fund raisers, and attended Spanish movies and restaurants. Many different people of different nationalities made up the club, but they all had the same interest in Spanish culture. Their advisor was Mr. Daniel Felix.

In November, club members took a picture taking excursion to a local beach. In February, they travelled to the mountains for more photo sessions in nature. Many outstanding pictures were contributed to several photo contests throughout the year; individual members received awards and honorable mentions.

The National Thespians is an honor society for dramatists who have received a number of points for their individual participation in drama classes, technical and acting activities.

New members: Paul Salmon, Jimmy Smith, Charlena Williams, Roger Zamora, and Joe King were initiated in January.

All the Thespians worked hard to sponsor the Thespian Conference which was held in mid-February. It was an honor to have sponsored the conference at Keppel for the first time.

CATHAY

This year three new clubs were formed; Artis, Cathay, and Dungeons & Dragons. Artis was formed by students interested in continuing in the field of art. Artis, being one of the first clubs formed, was very active this year. They entered a float in the Homecoming Parade, and won first place. Artis also painted our New Aztec Square.

Cathay was formed to help new Chinese students at Keppel to meet more people and get involved with school activities. It also helps the members to understand their culture better.

Dungeons & Dragons is a club for students that are interested in a fantasy world. This club was formed after the game of the same name.

Sophs Mission Valley League Champs

This season for the Sophomores was surprising. As Freshmen their record was not impressive, winning only one game the whole season. They knew much hard work was needed to prove to themselves they were winners. Determination, teamwork, and a well balanced coaching staff proved to be the ingredients to a successful year.

With a record of 5 - 0 - 0 the Aztecs really proved to be Champions. Winning Mission Valley League is a great accomplishment. Working hard and having fun, the Aztecs can't be beat!!! And their season record proves that. CONGRATULATIONS!

Number one's the only one.

A practice before the big game.

When you hear Freshmen football mentioned, it doesn't arouse much interest. However, this season the Freshmen made themselves known. They realized high school football was more of a challenge than their previous play in City League. If defense is the key to winning championships, the Aztecs proved to be tough competitors, only giving up 33 points the whole season. Keppel has long awaited a victorious team. Being undefeated made it even a more exhilarating season. The Freshmen's Most Valuable Player for this year was David Reyes. "This guy can do everything," said coach George. He blocked two punts that led to scores. He was the leading scorer, tackler, and rusher.

"Victory Again" was the motto for the Girls Varsity Tennis Team as they went to C.I.F. for the second year in a row. This year the team made it all the way to the quarter finals of C.I.F. before barely losing to La Serna. This was the first in M.K. history for the girls to make quarter finals. With the help of great coaching from Coach Delna Coe and the super quality of play offered from the girls they made a devastating close race for first place in Mission Valley League. The girls have been practicing since September third, working on a great many drills, from the very basic strokes as forehand and backhand to the more difficult drills as dropshots and consistency. The girls showed extra special dedication to their team by all the team showing up to morning practice at 6:45 a.m. when the weather had been terribly smoggy, and hot.

1979 will be a year to remember for coaches Bob Greenamyre and Charles White, who succeeded again in building one of Mark Keppel's strongest polo teams yet.

Out of last year's predominately rookie varsity team and 1978's first place frosh-soph team coaches Greenamyre and White shaped them into this year's formidable lineup.

Losing their first two league games to La Puente and Charter Oak the team made an excellent finish to the season by winning their last four league games. By winning those games, they not only captured third place in league but also put Keppel in the C.I.F. league playoffs.

At season's end the polo teams were honored with a banquet. Presented with league awards were: Rick Avalos, Mike Osmon, first team Montview league, Greg Jung, second team, Doug Irvine, Chuck Lota, Honorable mention, Also awarded was the M.V.P. trophy to Mike Osmon.

The frosh-soph team did well again this year taking 3rd place in league competition. This year's team was built chiefly from unexperienced sophomores, yet coaches Greenamyre and White built them into the strong team they were this year.

This basketball season started off as usual. Each team prepared themselves for their tough competitors.

Varsity, trying to regroup, worked hard and strenuous to make this their season. Each teammate contributed by playing to his full potential. As in every sport, winning and being number one is the greatest satisfaction.

Though there were some heartbreaks, the Aztecs kept up the good old tradition of playing to the end . . . Never giving up. In its own, they showed ability and drive and the will to win.

J.V. We can Keppel . . . We are . . .

Being one step from Varsity, the J.V. team had their work cut out for them. Placing third in the Bell Gardens tournament, J.V. were on their way. Having all the talent, speed, quickness, ball handling and drive. They lacked one ingredient . . . height.

Doing their best with what they had J.V. played to win and only to win. Playing to their full potential J.V. had a fair year. Their only problem was turn-overs.

With the experience they got this season they are looking forward to a winning season next year.

... Keppel we can ... Soph Basketball

The Sophomore basketball team started off their pre-season with an impressive 10-2 record, hoping that the success continued through their league season.

Doing what they do best the Sophomores had a tremendous year. Hustle, drive and the desire to win will be a big asset for the Aztecs in coming years.

The Sophomores have a long way to go and victory is their goal. Hopefully nothing will stand in their way. They are ready to take on any challenge that will deprive them of their glory.

FROSH . . . C'mon Big Red . . . Let's Go!

Frosh basketball had their experiences. First of all, this is the first time they have played high school basketball. The challenge was tough, but they survived.

Playing like they've never played before, they will certainly go a long way. With more experience they can be Keppel's future Champions.

Each teammate gave his all, which proved to be the successful factor in their performance. Mark Keppel is expecting great accomplishments from these underclassmen. C'mon, Big Red, let's go . . . Win, Win, Win!

In the past few years, soccer has been one of the most successful sports at Mark Keppel. The Varsity soccer team had 9 returning let-terms to make them an experienced team. The competition was tough but the Aztecs did well. Coach Barsuhn stated that the team worked very hard in their quest for a second consecutive C.I.F. championship.

Girls' softball starts . . .

Putting a brand new team together for this year's softball season, Mike Burke did an excellent job. Losing all of his starting team, except for his pitcher Roxie Nishimura, coach Burke had to start from scratch. Starting out with five remaining lettermen, Burke recruited many members of last year's championship J.V. team. Coaching a fresh new Varsity team was not easy; many things needed to be learned—batting, baserunning, stealing, cut offs, situation plays, and especially Mike Burke's signs.

"Varsity is a lot different from J.V." says Adele Hernandez. "You have more responsibilities; you work much harder." Having not expected them to do well, Coach Burke was very surprised at the talent his girls showed in pre-season. This gutsy, new team went out and defeated very good 4-A softball teams. "The competition is very tough in Varsity," said Lorraine Aburto. "The pitches are much faster and the fielding is more experienced." Roxie Nishimura, a returning letterman for three years. "Roxie is the greatest pitcher I've seen at Keppel. She has an outstanding attitude and was never afraid to work hard." remarked Mike Burke. "She's a true winner and whenever the situation became tough, Roxie became that much tougher. It will be hard to find a pitcher to replace Roxie. She holds almost every pitching record at Mark Keppel . . . I hate to lose such a great person."

Interrupted by many rainstorms Varsity softball continued to practice, outside in the rain or in the big gym. Mike prepared his team for league games. The determination in every player helped Varsity to a surprising winning season. "One great thing about our team is not only do we work together as a team, we have fun off the field as friends." said Mimi Cash. "Winning is important to us, we have worked so hard that our accom-

These girls found time to have egg drives, bake sale, car washes, wake-a-thon, and many fund raisers to benefit the softball team's unity and necessary organization.

Teamwork was the real asset for J.V. this year. Regrouping coach Bailey had her hands full, this was the year of reconstruction for both J.V. and Varsity. Adding new members to the experienced J.V. teammates, coach Martha Bailey had the experience of her former players to help form a winning team. Helping each other and working together really proved leadership to the J.V. team. Playing to win, this young team pulled themselves together and had a successful softball season. With the talent these girls have and the experience coach Bailey has to offer, our Keppel J.V. softball team will continue to be the Champions that they were meant to be.

Track & Field Shows the Way With ...

The Junior Varsity Track Team's season has been very satisfactory. They practiced hard with a lot of hope and concentration. Kenny Wong quotes, "Competition is fierce between the members for top positions on the team." With this kind of dedication to their team, next year's Varsity team will have a fantastic season.

Steve gives it his all to break the record for the triple jump.

Robert, Mariano, Tony, and Eddie are members of the four men relay.

Speed, Endurance and Determination . . .

The 1980 Varsity Track Team has done considerably well this season. They have participated with extreme determination in every meet. Win or lose, the team never gave up. They practiced with a lot of dedication. Special Congratulations to Steve Selvidge on breaking the M.K.H.S. Triple Jump record.

Varsity Track & Field: L to R; Larry Zabala, Ted Ramirez, Aaron Gutierrez, Alben Alegre, Benny Mendoza, Jamie McConnell. Top row: Scott Riddle, Eddie Chavarria, Tony Chan, Larry Landless, Robert Heath, Gilbert Maldonado, Mariano Escalante, Steve Selvidge.

Eddie Chavirra hurdles high and over!

Tim McCoy vaults over the pole.

The expression on Joe Torres tells all . . .

Soph/Frosh runs their way to Victory

The Frosh/Soph Team of 1980 has been in excellent shape for their meets. They have performed fantastically this year in all events. Hopefully this years experience will benefit M.K.H.S. next year.

Front row left to right: Gerardo Ramirez, Ricardo Gomez, Darryl Bustamante, Distant Coach Jerry Lopez, John Gonzalez, Lloyd Honda, Alben Alegre. Back row: Duane Allen, Ramiro Rodriguez, Tony, Jerry Wang, Robert Mirando, Isidro Torres Jr., Walid-Abdul-Haimid, Steve Borquez, Gamboa Lazaro, Gus, Larry Zabala, Coach McFate.

Tracy Foote keeps her face.

Steve Borquez concentrates on his form.

Badminton Goes Co-ed

This years Varsity Golf Team worked hard to place themselves in C.I.F. Having an excellent season last year, the golf team has the experience and talent to make them one of Koppel's finest competitive teams at school.

Front row left to right: Jon Sera, Ricky Matsui, Duane Oshita, Doug Kato, Srisawai Pattamakin. Back row: Gary Matsumoto, Greg Mosman, Ken Eguchi, Chris Thorne. Missing players: Wade Tetsuka, Brian Fox, Sam Hahn.

Front row left to right: Khai Tran, Xavier Lockhart, Jackie Davila, Johnny Lim, Ken Ng, Gilbert Gonzalez, Sam Kim, Carol Shimoda. 2nd row: Tracy Seki, Ta Tioa, Brian Fujimoto, Eddie Tong, Leo Rivera, Gary Shaw, Karen Matsumoto Joedilyn Tapalla, Ve Tran, Brad Tucker. 3rd row: Helen Lim, Lisa Minami, Chang Hong, Wai-Lung Cheung, Nellie Sanchez, Gary Shiroishi, Amelia Tang, Susan Kim, Christina Tana, Mei Lee Wong. Head Coach Harold George.

First Time Co-ed Badminton in League & C.I.F. "Interest has been tremendous." said Coach George. 50 athletes are on the team (26 girls and 24 guys).

"Badminton is an extremely quick and physical game." In a tough singles match, the athletes end up running between three and five miles. "What I like best about the team is the fellowship and dedication of the individual athletes impresses me very much! Really great athletes."

Varsity Tennis

(Back) David Brown (Manager), Ron Klein, Alex Chavez, Jason Baron, Steve Vucetich, Mike Pacheco, Coach Ameluxen. (Front) Doug Castilleja (Assistant Manager), Mark Melhart, Steve Kang, Donnie Meza, Dung Nguyen, Stacey Lew (Statistics).

In recent years, Mark Keppel has produced some very good tennis teams, having won the Mission Valley League title for the past five years. This year's Varsity team hoped to repeat some of the accomplishments of past teams, as they began yet another tennis season. Due to the heavy rains earlier this year, the team had only a short while to prepare for the season, but their hard work paid off, as they established a 4-0 league record after four matches. Coach Ameluxen felt confident of his team's chances of winning yet another league title.

Mike Pacheco exhibits his follow through.

Jason Baron smashes a topspin forehand.

J.V. Tennis

(Back) Kevin Berghoefer, Steve Duran, Jeff Gobel, Mike Schober, Gray Wong, Greg Tom, Allen Moreno. (Front) David Sanchez, Mario Sanchez, Chris Patterson, Vince DeGuzman, Peter Hironaka, Jose Tana, Sabrina Simonian (Statistics).

Frosh Tennis

Mike Sanchez, John Kang, Andy Schober, Carlos Neria, Hector Chacon, Ron Sansome.

The J.V. and Frosh tennis teams also had good seasons. Under Coach Werner Barsuhn, the teams worked hard, and steadily improved during the season. One of the main reasons that Mark Keppel tennis has been so successful in recent years is because of the J.V. and Frosh teams. One of the purposes of these teams is to give players experience in match play, and also to help improve their games through practices held every day during the season. Therefore, when these players reach the Varsity level, they will have much of the experience needed to be Varsity tennis players.

Varsity Tennis in Action

Clockwise: Donnie Meza is on the winning track; Dung Nguyen shows no mercy for his opponent; Steve Kang prepares to hit a drop shot; Ronnie Klein prepares to pass his opponent; Steve Vucetich concentrates on the ball; Alex Chavez serves an ace.

THIS IS IT

This is it
Make no mistake of where you are
You're goin' no further
Until it's over and done
One way or another
No one can tell what the future knows
You make the choice of how it goes
It's not up to me or time
There comes a day in every life,
And this is it.

Kenny Loggins

We leave knowing we have grown

School is out and we have gone. For some, summer is just a holiday, but for others, it means they will leave and not come back. We reflect upon all the good times we've had at school—talking with friends, dressing up on Halloween, going to football games, playing in football games and having our parents cheer us on. And then there were those very special times shared with very special people. Aren't these memories worth all the years you've spent in school? We may have forgotten some of the things we have learned or some of the people we met, we may have had some pretty bad times, too. But if you've walked away with at least one happy memory to add to your collection, doesn't that make it all worthwhile?

One Way or Another
